JS

consent ImagineLA and Nava have partnered with [REDACTED] to rigorously evaluate the chatbot that has been developed for ImagineLA. This part of the evaluation focuses on how much the chatbot can help with accuracy, particularly on difficult questions that eligibility workers and clients often get wrong. If you agree to participate, you will be asked to answer 45 multiple choice questions about CalFresh (SNAP). We expect this to take about an hour and you will be emailed a \$100 gift card within a week of completing the survey. There is no penalty for making a mistake. The questions have been designed to be very difficult in order to assess the quality of the chatbot. Participation in this research is completely voluntary. You have the right to withdraw or to stop participating at any time. For questions or concerns about this study, please contact [REDACTED]

[REDACTED] If you wish to participate, click the "I Consent" button below to get started. If not, simply close the browser window.

☐ I consent (1)

☐ I do not consent (2)

explainer In this survey you will be shown multiple choice questions based on hypothetical CalFresh scenarios. Some participants will see chatbot suggestions for each question and some will not. We ask that you do your best on each question while not taking longer than 1-2 minutes per question. We have included checks for attention and timers in the survey to ensure that participants are entering genuine responses. It is okay to take a break and come back to the survey. Again, the questions have been designed to be very difficult in order to better assess the chatbot. Please do not consult a chatbot or search engine while answering the questions, but feel free to use other sources you normally would.

If If False

comments_assessment Pretest participants: Do you have any feedback or comments about the questions you saw?

End of Block: Assessment-1 - Apr 16, 2025

Start of Block: effort_familiarity

compliance_effort In answering the questions on this survey, I invested:

- ☐ Very low mental effort (1)
 - ☐ Low mental effort (2)
 - ☐ Neither low nor high mental effort (3)
 - ☐ High mental effort (4)
 - ☐ Very high mental effort (5)
-

difficulty_questions How familiar were you with the material being asked about in the questions?

- ☐ Not at all familiar (1)
- ☐ Slightly familiar (2)
- ☐ Somewhat familiar (3)
- ☐ Familiar (4)
- ☐ Very familiar (5)

cumulative_experienc What percentage of the questions reflected situations you see with clients day to day? Please enter a number (0-100; where 0 is none of the questions reflected day to day situations and 100 is all the questions reflected day to day situations).
